

Violence Against Women Counselling

A life without violence and abuse is every woman's right!

This program is a free culturally appropriate counselling, support, and referral services for women and their dependents who have experienced historic or current gender-based violence by their partners or significant others (including caregivers, family, or household members). This service aims to increase the safety of women, (and their dependents), by helping them be aware of their rights and develop strategies to live free from abuse.

About the Program

In-person, telephone, or virtual services include:

- Crisis counselling for short-term goals, including the development of safety strategies
- Information sharing and advocacy on rights, options, and available services
- Referrals to appropriate services
